

Equality/Diversity Questionnaire

Making this questionnaire accessible

This questionnaire is available in alternative formats including an easy read version accessible to people with learning disabilities. You may also submit your application in your preferred format (for example audio tape) as long as all questions are answered. Alternatively you can complete the form over the telephone/textphone.

About this questionnaire

Imtac seeks to ensure that our membership represents the diversity of Northern Ireland society. To help us do this we would ask applicants to complete the following short questionnaire. Please **don't** write your name on the questionnaire.

Any information you give will be treated in the strictest confidence and in line with our privacy policy. Information you provide will be held separately to your application and will never be made available to members of the selection panel.

The completion of this form is voluntary. You may choose to answer some, all or none of the questions.

Completing this form
