# **Imtac Factsheet 17**

# **Travelling By Sea**

#### What you need to know

- European laws mean disabled people have rights when travelling by sea
- Ferry operators cannot refuse to carry you because of your disability
- Ferry operators must provide passengers with assistance to use services
- Standards for assistance have been set an apply when travelling anywhere in the EU
- If you require assistance you should let the airport or airline know at least 48 hours before you travel
- You have the right to complain if you feel you have not been treated well

## Things to think about

- Think about how you will travel to the port and how easy it is to get to the boat
- Check what facilities are available at the port and on board
- Let the company know of your travel needs when booking
- If you are using a travel agent make sure they understand your travel needs
- Think if you might need to travel with someone
- Check if the company offers any discount for disabled people or older people
- Check how accessible the rest of your journey will be
